Presidents Message

I'm sit here in disbelief that it's my final Presidents message of my first term. It's been a crazy but productive year. I have to extend my sincerest thanks to my Executive team. They have worked hard this year on NSIWA initiatives, and without them, we would not be successful.

As we finish up on the 2014-2015 term, let's recap what how we have been promoting our mandate of Education, Professional development and Networking.

Our marketing committee had a booth at the AAIB Convention in PEI on October 1st, 2014 – it was a well attended event and we created a lot of excitement about our Association – we earned 9 new members from the convention and have 3 more potential members coming from it. An absolute amazing way to raise awareness and presence of our Association. The marketing committee also had a Meet & Greet at our December meeting – which boasted 85 attendees, a record for our General meeting...this turned out to be a great networking opportunity to help industry individuals see the value in NSIWA.

Our Membership committee has also been working diligently on increasing our membership...we currently have 128 members and we aren't stopping there...The membership committee sent our renewal letters via email to our existing membership, with a message from the President welcoming them back for the 2014 -2015 term. In turn due to the efforts of both this and the marketing committee we have 22 new members overall from last year. The membership chair has personally welcomed all new and existing members to the association, and is a driving force in our membership success.

It was no surprise that our Golf Day on September 12th, 2014 was again a sold out event. We had the pleasure of having CAIW President Tracey Fata attend our event. We had 144 golfers, all holes sponsored and donations of items for giveaways for after the event. A beautiful day overall. Photos of the golfers were taken and posted on our website, an email to each golfer followed with a link for them to view the photos. Our Annual Wine and Cheese was again a well attended event despite a snowstorm..over 775 attendees, it was our first time giving member priviledged pricing to an event, We will also be making a donation to Feed Nova Scotia with the proceeds of the Wine and Cheese.

Presidents Message Cont'd

Our Education chair lined up a stellar group of speakers for this year, we were motivated, educated and treated to a creative experience that engaged our membership. Our Education chair has also done some tabletop impromptus that encouraged all members to speak at the meetings. This engagement has created a feeling of familiarity within the group, and members commented on how much they enjoy the impromptus and the assigned seating as they are able to get to know others in the industry.

Our Insurance Information Campaign Week was October 20th to October 24th, 2014...We had our proclamation signed by the Mayor and a photo opp with him. His office tweeted about it along with the photo...we had a booth at the Sunnyside mall on October 23rd, 2014 talking to the public on Oil tank tips and maintenance. We had great participation from our members who volunteered at the booth. We had an Oil Tank Seminar on December 9th, with a panel of experts who discussed The Past, Present and Predicting Future of oil tanks..Overall an amazing campaign.

Our Ways & Means Committee has had monthly draws at our monthly meetings with gifts being generously donated by Avis Budget Group. We brought in 420 with our monthly draws so far to date. Our big fundraiser in December brought in a whopping \$3113 in ticket sales, all proceeds were donated to the Cancer Society. Our Christmas auction (with items generously donated by our members and industry partners) A list of those sponsors was given in our January Bulletin.

Our Public Speaking Contest was held in February, and Rebecca Burke – The Co-operators will represent us at Convention 2015. We cannot wait for her to compete. She will do us proud!!

The Constitution & Bylaws committee has worked hard to bring our Handbook up to date. The changes were presented to the Executive in December and posted in Decembers and Januarys bulletins and voted on at the general membership in January. They also worked on bringing changes to the CAIW handbook to be voted on at the AGM in June

Presidents Message Cont'd

Our Fellowship Fund continues to be a great benefit to our Membership. A total of 9 Members were privileged to receive sponsorship from The Donna Landry Fellowship Fund for Convention 2015...Totaling \$5400. Proving again that "membership and getting involved has it's privileges"....

We are really proud of our Special Awards committee, they submissions that they put together for the First Generale Award and the Auto Auction Impact Award were phenomenal. The enthusiasm that the committee chairs showed during the collecting of the award information is sure to shine though in the submissions.

NSIWA's website has been a valuable source of information for our Association, and is now getting a facelift. We have obtained quotes, and are looking to take our website to the next level. By increasing our functionality, and improving our platform, we will be able to utilize our website to promote NSIWA more effectively. We are hoping to have it live over the summer months

As you can see, our association accomplishes a lot over the course of the year. The passion and dedication that our Executive and members show though-out the year is amazing. We would love for you to get involved!!! If you have an interest in becoming more involved with NSIWA, please let me know. For me, it's been a career enhancing experience, one that I am so happy to have embarked on.

Our last meeting is our AGM & VIP night and is on Wednesday May 27th at the Ramada in Dartmouth, our Coordination & Planning Chair has an exciting evening planned for us. (and she is keeping it under wraps!!)...Looking forward to seeing you all there!!

Yours in Fellowship

CAIW President's Report ~ May/June 2015

The Spectacular Ripple Effect of Reflection

Well, this will be my final newsletter. This year went by so quickly. I find myself looking over the past year and reflecting. What did I accomplish? Do I have any regrets?

I had many accomplishments this year. I was able to visit all of the associations and attend one of their events. What a great experience. One I won't soon forget. I appreciated that I was able to say a few words on behalf of the CAIW at each event.

I also think Board worked very hard this year at our meetings. This year certainly held its share of challenges. The Board faced them head on and took care of business. I know the decisions we made were sound and will carry the Association forward.

I have had a great Board to work with. Thank you to all the Executive and Directors for working together to make the CAIW better.

Do I have regrets? I regret that this year went by so quickly and is coming to an end. But I made the best of it. Another regret; as per my last newsletter, I was supposed to hit the driving range. But Mother Nature is not cooperating and at the time of writing this newsletter, there is still snow on the ground and the ranges aren't open. But I will prevail. It's got to melt sooner or later.

One last challenge, work with the ladies of IWAWM and help host the 49th AGM and Convention. I hope to see you all there!

Yours in Fellowship

2015 CAIW-ACFA Association Forum

Association Forum is a time set aside for all Associations to come together at the Canadian Association of Insurance Women's AGM and discuss strategy, concerns and sustainability. It is a time to brainstorm and share each Association successes and challenges. This is a very positive exercise so for those of you unable to attend 2015 Convention I have attached a list of the Forum Topics for your consideration. Please feel free to contact me by email (laura.greening@sovgen.com) and I would happy to include your thoughts in the 2015 Forum Summary!

1. How do we modernize the CAIW/ACFA Awards?
 - a. Do they need to be revitalized?
 - b. Will this get more Associations and people involved?
 - c. Do you consider Awards passé?
2. How effective do you think Marketing CAIW as a Brand has been and what suggestions do you have to add value to the campaign?
3. How has CAIW/ACFA changed your life? Please provide concrete examples. How do you portray your experiences with CAIW and your local associations to outside interests (ie: work, industry, other organizations)?
4. The numbers at the AGM & Convention have been decreasing over the past several years in spite of initiatives to keep costs down. What can we as a combined organization (National and Local) do to increase participation and registration?
5. Do you want to have a say in the AGM? (ie) Education Topics? Do you enjoy and understand the AGM? What if anything can be done to improve the program?
6. How can we better recognize our Award Sponsors / Convention Sponsors? We currently distinguish our supporters with the following; Is this enough? Any suggestions on other methods or social media avenues?
 - a. Sponsors recognized in the Canadian Underwriter,
 - b. Thank you letters from CAIW Chairs
 - c. CAIW-ACFA Website
7. Name change; some Associations have changed their name and remove "women" from the Chapter name choosing to go with a non-gender specific or industry related label. Does this change the vision of the organization? Should we reconsider the direction of CAIW and if so where do we go from here?
8. Do you believe that the Insurance Industry has changed its perception with respect to CAIW and the Local chapters? What are the visible optics on how our organization is current viewed?
