*December 2018*

Well here we are.....it's **December** and Christmas is just around the corner! The malls are filling up with anxious shoppers as they are trying to find that perfect gift, along with all the prepping of decorating and baking! We see the children are starting to get excited, especially when you see them visiting Santa....oh it's such a wonderful feeling to see their tiny faces light up with joy or the not so happy ones who just aren't ready to sit on Santa Claus' lap.

*President's Message*

Not only is December a busy month prepping for the holiday season but it is also a very busy month for NSIWA! Our Ways & Means Committee are preparing for our Annual Christmas Silent and Live Auction on December 13<sup>th</sup>. We hope to see all of you at this fun and exciting Silent and Live Auction Dinner.....why not bring a co-worker, friend or a family member with you! This is a great opportunity to pick up some last minute gifts and baked goods. I cannot wait to see what wonderful items you bring with you for the Auction, as every member has such great ideas. As a reminder.....do not forget to bring all of your sold Christmas Basket tickets with you as every ticket you sell, the proceeds go to the Cancer Society. The letters have been all sent out requesting donations for the Christmas Basket. Maybe you can check with your employer, to see if they received their letter. I would like to thank all of you for your support, not only during our December meeting, but also throughout the year. Without all of you...there would be no Christmas Auction or NSIWA!

We are very happy to say, we have donated (2) \$500 cheques to the two Women Related Deserving Organizations again this year (Marguerite Centre & The SELF Movement). As this is the 3rd year for donating to these two Organizations, next year we will be asking the General Membership to share with us two charities of their choice.

December and Christmas for me is a time to sit back by a warm fire, sip on a hot favourite drink, remembering all the Christmas' past and think of all who are no longer with us. To give thanks for our friendship, love and health! To think of all those less fortunate than us, people who are going through difficult times, and all who are in sickness and pain.

If you are reading this letter, can I please ask you to take a moment right now.....to just close your eyes and make a Christmas WISH for someone that you know who needs your prayers.

After all...WISHES do come true; especially at Christmas time!

**MERRY CHRISTMAS &  
ALL THE BEST IN THE NEW YEAR 2019!**

Yours in Fellowship,

Paula Creelman  
NSIWA President

# CONGRATULATIONS!!! – MEMBERS IN THE NEWS

## *Deb MacDougall, CIP - Travelers Canada set to retire January 2019*

The Claims Insurance world will look a little different in 2019. A huge influencer is set to retire in January. Deb MacDougall, CIP has been a leader in her field for over 40 years. As many of you may know, Deb is our "go to" for NSIWA, but she is also the "go-to" for other CAIW associations, IBC, Insurance lawyers, as well as her own employer's policy wording committees. She is a wealth of technical knowledge for all and certainly an integral part of our association.

Deb has held many positions throughout her NSIWA career, she was President of NSIWA from 1996 to 1998, and most recently was President of CAIW, our national association. In 2011, Deb won the most prestigious award "Insurance Woman of the Year", a testament to her dedication to this association and CAIW as a whole.

NSIWA is so happy for you Deb, you truly deserve to enjoy the next chapter in your life!!

If you know of an NSIWA member who has made a career change, please let us know

## **DECEMBER GENERAL MEETING**

I am happy to report that the Queen of Hearts was not picked last month. Ticket sales were brisk and we have a great starting pot for December.

Tickets are 1 for \$2, 3 for \$5 and 10 for \$10. Bring your cash!

During the break, we will be calling a ticket number. If your number is called, you get to pick a card from the deck. If you pick the Queen of Hearts, you get 50% of the pot. If you pick another card, you get 20% of the take and the remaining 30% gets added to the pot for the next meeting.

## We need your help!

This year again, we will be raising funds for the NSIWA by ways of a very exciting live auction, and for the Cancer Society via ticket sales for the Christmas Baskets. Last year, we were very happy to deliver a cheque in the amount of \$2,405.00 to the Cancer Society!

### WE NEED YOUR HELP!

- Donations for the auction: holiday items, baked goods, homemade pickles (very popular item), etc.
- Donations for the baskets: small gift items, gift cards, etc.
- Selling tickets for the baskets **at the door**

Ways & Means Committee: Geneviève MacEachern, Cheryl Pope and Jennifer Love

***FOR THE FIRST TIME EVER!***

## **Beat Denise Russell Contest: Christmas Basket ticket sales**

Every year, Denise Russell sells the most Christmas Basket tickets. Without fail. It's a fact.

Since we cannot challenge Denise, the Ways and Means Committee will be awarding a gift card to the person with ticket sales the closest to Denise's sales!

So, get your tickets and sell sell sell. It's all going to a good cause, with 100% of the sales going to the Cancer Society.

### *Christmas Safety Tips to Keep you Safe*

*As you're sprucing up your home this season, keep an eye out for these common holiday trip-ups, fire hazards, and other safety snafus.*

1. **Merry and Bright:** Carefully inspect holiday light strings each year and discard any with frayed cords, cracked lamp holders, or loose connections. When replacing bulbs, unplug the light string and be sure to match voltage and wattage to the original bulb.
2. **Lights Out:** Always turn off holiday lights when you leave the house unattended or when going to bed.
3. **Fresh Is Best:** Try to purchase a freshly cut tree, as they are more resistant to ignition. Keep your Christmas tree watered and away from open candles.
4. **Timing Is Everything:** Use an outdoor timer certified by CSA International to switch lights on and off. Lights should be turned on after 7 p.m. to avoid the electricity rush hour.
5. **Check for the Certification Mark:** When purchasing light strings, extension cords, spotlights, electrical decorations, gas appliances, or carbon monoxide alarms, look for the certification mark of an accredited certification organization such as CSA International, UL, or ELT to ensure that the products comply with applicable standards for safety and performance.
6. **One and Done:** Never connect more than one extension cord together; instead use a single cord that is long enough to reach the outlet without stretching, but not so long that it can get easily tangled.
7. **The Great Outdoors:** When hanging outdoor lights, keep electrical connectors off the ground and away from metal rain gutters. Use insulated tape or plastic clips instead of metal nails or tacks to hold them in place.
8. **Climbing Up:** Using a ladder when you put up lights? Choose the correct ladder for the job and double check for a certification mark to ensure your portable ladder complies with applicable standards.
9. **Keep the Gas Behind Glass:** Do not use your gas fireplace if the glass panel is removed, cracked, or broken, and only allow a qualified service person to replace fireplace parts.
10. **Sound the Alarm:** Test your smoke alarms monthly to make sure they work, and be sure to install smoke and carbon monoxide (CO) alarms on every level of your home -- especially near sleeping areas.
11. **Filter-Friendly Furnace:** To help prevent CO hazards in your home, have a qualified heating contractor perform a yearly maintenance check of your furnace and venting system, and clean or replace your furnace filter frequently during the heating seasons.
12. **Clean the Clutter:** Do not store combustible materials such as gasoline, propane, paper, chemicals, paint, rags, and cleaning products near your gas furnace. Gasoline or propane cylinders should be stored outside the home.
