## Presidents Message April 2019

ow....last month's Public Speaking Contest was so exciting! What a wonderful evening watching our three participants, fearlessly providing a wonderful evening of entertainment and a fierce competition. All three of our contestants were amazing! In saying this, I am glad I was not one of the judges! Congratulations to our winner Kim Smythe, who will be representing us at our National Convention in Calgary in June.....I know Kim will do us proud! A big thank you to our Public Speaking Committee Chair, Diane Penney, for all her hard work.

As we are getting ready to attend our CAIW National Convention in Calgary, our Committee Chairs are working hard to make our banquet night very exciting!

Stephanie Nairn and Kim Smythe have put wonderful submissions together with the First General Award and Impact Auto Auctions Education Award. Karen O'Sullivan and her committee are also very busy compiling information needed for the Insurance Awareness Award. Thank you to all members who forwarded information needed to complete these awards and for sending in your completed Special Awards questionnaire. All three submissions are all about our Association and we are so lucky to have a group of talented professionals whom devote their time, to ensure the success of NSIWA. Thank you ladies for all your hard work and commitment!

Hope to see you at this month's General Meeting. We have a wonderful guest speaker, Carole Rankin, local Coordinator for the Halifax Shoebox Project. Please join us, as Carole will be discussing the project!

Not only does April showers bring *Nova Scotia* mayflowers, but it also brings us into our **59<sup>th</sup> Annual General Meeting & VIP night on May 22<sup>nd</sup>**. This year, we will be having a wonderful buffet and our Coordinating & Planning Committee are busy planning for a very special and exciting evening, along with Kim Smythe presenting her winning speech! **This is a great opportunity to invite your boss, co-worker or family member to show off our association!**

Hope you have fun with your family and friends and Easter Bunny finds you! My family is very fortunate to have our bunny, **MAC**

Yours in Fellowship,  
**Paula Creelman**  
NSIWA President

Happy  
**Easter!**

EMAIL NOMINATIONS BY THE DEADLINE TO: [erika.hachey@fosterandcompany.com](mailto:erika.hachey@fosterandcompany.com)

# RISING STAR AWARD – PRIX DE L'ÉTOILE MONTANTE

Sponsored by Steamatic Canada, the Rising Star Award – Prix de L'étoile montante is awarded annually to a candidate who is actively employed or closely affiliated with the insurance industry, who shows potential to be an industry leader and person of influence, and has distinguished themselves through their initiative, both within their employment and the insurance industry as a whole.

The award is intended to promote CAIW as a leading association in the industry, with a reputation for fostering professional development among members through education, networking, and personal growth. Recipients are recognized and promoted through the awarding of a prestigious prize package intended to encourage new membership and generate interest in the CAIW.

## Eligibility Criteria

To be eligible for the Rising Star award, the nominated candidate must:

- Be a member of CAIW
- Be employed in or closely affiliated with the insurance industry in Canada
- Be 39 years of age or younger at the time of the deadline date to submit nominations
- Have not been a recipient of the Rising Star Award in past

The ideal candidate has achieved significant success in their career, and has shown a high-level of professionalism and motivation. Other factors may include engagement in his or her company, the insurance industry as a whole, and the community at large. These accomplishments should be tangibly demonstrated in the candidate's CV, reference letters, and any other supporting documents provided as part of the nomination package.

## Nomination Process

Nominees may self-nominate, submitting their own CV's along with a letter of referral from their employer and any other relevant documentation or letters of support. Alternatively, someone may be nominated by their association, a peer, or their employer, with a summary of professional and personal accomplishments and a letter of support. There is no limit to the number of nominations from each association.

Three finalists from the pool of candidates will be selected by Steamatic Canada. The applications of the three finalists will then be forwarded on to a selection committee comprised of a selection of CAIW members and one Steamatic representative. From among these three finalists, an award recipient is selected by the committee.

## Prize

- Personalized award of recognition.
- Cash prize of \$500 plus a donation in the winner's name in the amount of \$300 to a registered charity of their choice.
